“STANDING ON THE PROMISES OF GOD”

Missionary trip miracle: the testimony of Budi

Dearly beloved in Christ Jesus,

Words cannot utter how quickly the year 2015 has gone before our eyes. Unconsciously, the year of 2016 has crept in and arrived probably without much of our awareness! I personally felt time could not have flown faster than last year. There are so much to share with everyone of you about God’s works, His miracles, His grace, His love, His revival among the churches and finally the ferocious battle that gets much more intense than ever before. Amidst all of these trials and tribulations, heartaches and pain come the most powerful voice of the Risen Saviour! A voice that would rise above the ugly attack of the power of darkness, a voice that is absolutely victorious that could not cover His blessed face. It is the voice of **“the noise of great waters as the voice of the Almighty”** (read Ezekiel 1:24) that ultimately controlled and prevailed in my missionary trip this time. Praise God for His magnificent victorious hand that simply display His mighty power as I labor in ‘the Isles of the East’, among my own fellow countrymen in Indonesia.

The wonderful news as I labor among the churches was the massive revival among fellow believers in the churches as I preached in the city of Jakarta and Surabaya. There were more than ever before people that stood up in churches to accept the Lord and repented. The works of the Holy Spirit in the churches were simply amazing and awesome! Hallelujah! Praise God once again for the magnificent works of the Holy Spirit.

It is crystal clear that the Holy Spirit wants me to focus on the preaching of the churches more than personal works. However, I would like to share one very precious testimony of my nephew Budi with you as the most wonderful gift of the Lord on the last night prior to returning to the U.S and as I completed my missionary trip.

It so happen that my nephew Budi was a lost precious soul that the Holy Spirit had unveiled to me. He had led a life style of darkness and sins. As Budi got deeply involved in drugs, he faced painful consequences both in his marital relationship as well as in his life. Nonetheless, he was the lost sheep that was found by our Lord this time! Without question, the night I had decided to ask him to confess his sins, was the same night he was born again of the spirit of God.

As I began to expound the truth of the gospel of Jesus Christ to him, he was eager to accept our Lord Jesus as His personal Saviour. Then, I continued to explain to him the importance of the thorough purging of sins through genuine repentance from our heart as well as the confession of sins from our lips. Thereafter, I had made it clear to him that the moment his sins debt was cancelled and washed away by the blood of Jesus, the Holy Spirit would seal and stamp the divine transaction as if a bank had stamped and cancelled his bank debt. "The condition was simple", I explained. All I needed him to do was to open his heart unto God honestly and genuinely as I assisted him to confess each and everyone of his sins in detail according to our sins list. To this my nephew understood and agreed. As we finalized all the sin confessions and close our prayers in the name of our Lord Jesus, my nephew began to squeal in fear! As I asked him what was wrong with him, he exclaimed that he was afraid and fearful! Then he continued to say that 3 black demons about 12 inches long actually crawled out one from the left arm, one from the right arm and one down his belly button to the ground! The mirror that was in the room was shaking in his eyes.

My dearly beloved, I smile to see that the Holy Spirit has sealed the divine transaction with his absolute presence in Budi's heart! Praise God for his sins debt are cancelled and paid for by the blood of Jesus and his name is written in the lamb book of life (read revelation 21:27). Without a doubt, Budi has received a new pair of spiritual eyes in order to see the spiritual world. How amazing is God's work at the cross!

As the precious blood of our Lord Jesus cleansed Budi's heart and washed away his sins, the Holy Spirit presence in his heart obviously tormented and cast out the presence of satan. As a result, the devils could not indwell in holiness or withstand the presence of the Holy Spirit that caused 3 devils to crawl out from his heart immediately.

May we never forget the goodness of the Lord and how great His love towards us all! May we value how precious what our Lord had done for us on the cross and sacrifice His life on our behalf. Let us always remember forever that we are 'God's purchased possessions' bought by the precious blood of Jesus. Finally, let us gratefully live our life for Jesus everyday with joy, always deeply imprinted in our heart the powerful voice of the Apostle Paul that says:

"FOR ME TO LIVE IS CHRIST, AND TO DIE IS GAIN"
(Philippians 1:21)

“AND THE LIFE THAT NOW I LIVE, I LIVE BY THE FAITH OF
THE SON OF GOD WHO LOVED ME AND GAVE HIMSELF FOR
ME”

(Galatians 2:20)

Prayerfully yours, His servant
