

GLORY TO THE TRINITY  
MINISTRY

WHAT IS THE BIBLE ALL ABOUT

Dearly beloved,

The **Holy Bible** is the **absolute truth of God's words** that is **infallible!** When I mention the infallibility of the Holy Bible, I am not referring to the language structure, spelling error or punctuation mark but rather the essence of the messages. The Lord God is the author of the whole Bible and He wrote it through the Prophets and the Apostles or the Saints that are filled with the Holy Spirit. Even though, these Prophets and the Apostles could be a few hundred years of difference, such as Prophet Daniel who wrote in 605-530 B.C., while the Apostle John who lived after our Lord's ascension, they would see the same vision, as the author is but God Himself. First of all, we must comprehend that **God is a Spirit** and He is **Almighty (omnipotent)** by nature. Secondly, He is not limited with time or distance and He is present everywhere (**omnipresent**). Furthermore, the Lord God that created the whole universe is **omniscience** which means He has all the knowledge of past, present and the future.

Without question, the Holy Bible is the only book in the whole world that is filled with His divine prophecies that are constantly being fulfilled all the time. Take for example, the **prophecy of the birth of Christ** written by Prophet Isaiah who lived in the era of 740 B.C, about the virgin birth of Christ written in Isaiah 7 verse 14; this prophecy was fulfilled 740 years later when Christ was born through virgin Mary, recorded in Matthew 1 verse 23. Obviously, there are many more such prophecies etc.

**Holy Bible made alive under the hand of the Holy Spirit**

The **Holy Bible** is so amazing that it can be compared to the **riches and the mystery of a vast and the depth of the ocean** that contain so many creatures and plants, as well as the hidden treasures that no human mind can totally or completely fathom or comprehend. For the **unbelieving world** that are **spiritually**

**dead**, it manifests itself as an ordinary history or literature book or the religious book of laws for the Pharisees etc. (read Spiritual Food for Thought volume 2 on ‘**The hidden manna**’). It would at best stand still like ‘**a car with no key**’ when tampered by the **religious institutions** of our days.

However, under the **Almighty hand of the Holy Spirit**, the divine power of the Lord is able to harness and manoeuvre the Holy Bible to be **the most powerful spiritual feeder for God’s children**, once born again of the Holy Spirit.

Hand in hand with the voice of the Risen Saviour, the words of God become alive acting like ‘**a wheel within a wheel**’ as recorded in Ezekiel 1:16, when **guided and control by the Holy Spirit** that lives within our heart.

Consequently, for God’s children born again of His Spirit, the Holy Bible becomes the **power of the Risen Savior**. Under the instructions and act upon by the Holy Spirit, the Holy Bible unveils the mysterious spiritual world, foretelling the world’s future destiny as well as God’s plan for all mankind and His salvation through Christ Jesus His precious son etc. Furthermore, it has the **power to transform our mind** from the **lies of satan** to **the truth of God’s words** so as to **conform us** unto **the image of His Son**, when we ingest and live out to God’s commandment in obedience to the Holy Spirit. Undoubtedly, it has now become a car with its key, ready to transport us to wherever the Holy Spirit want us to go.

It is crystal clear that the Holy Bible is not a theory but a reality, as I have hundreds of personal testimonies that experience God’s words into reality in my life (please patiently listen to my preaching and testimonies). So are the thousands of other saints in the past as well as those living presently in all parts of the world. What is more amazing about the Holy Word of God is the **power** and the **flexibility** for the Holy Spirit **to customize the word of God on a personal level**, especially when we are under the ferocious attack of our spiritual enemy and amidst critical times of danger, where God’s children are needed to be warned ahead of times etc (listen to the testimonies of Miss Esther Wang and mine).

Likewise, the Holy Spirit will also customize God’s plan in our life through the Holy Bible, acting as ‘**Urim and Thummim**’ that are used by the priest in the Old Testament whenever they seek to ask God for direction.

Nonetheless, I shall hereby give you simple illustrations so that you can comprehend what the Holy Bible is like under the hand of the Holy Spirit.

## **Illustration No. 1: Acting like a turbine**

We all know that electricity power can be harnessed from the waterfall and generated by the machine call the turbine, isn't it? Without the turbine, a waterfall is but water and we would not be able to experience the electricity power in the water itself, right? However, under the power of turbine machine, we know that it can extract the electricity power, sends light into our home, so that we do not live in darkness but enjoy the comfort and the joy of having electricity in order for us to see clearly.

Likewise, the Holy Spirit does the same thing by acting as a **turbine** to the **Holy Bible**. Once, we are born again of the Holy Spirit and filled by His present, the words of God act as a light that can detect the presence of sins in our heart as well as the presence of satan. In the meantime, the **Holy Spirit will remind us of God's words and His commandment** whenever our sins are washed and sanctified by the blood of Jesus, permitting the Holy Spirit to harness and act as our source of electricity in the **light of God's words**, whenever we spend the quiet time reading the Holy Bible.

As a born again believer, automatically you will become very sensitive to the spiritual world. However, whenever we **falter in sin** or walking in our flesh, you will become spiritually blinded and drunken as you have grieved the Holy Spirit by **unplucking the source of electricity**, the power to the switch.

Consequently, whenever you are in the **state of walking in darkness and without light, you will lose the divine peace and your heart will feel very trouble, unpeaceful and heavy**. Meanwhile, the Holy Spirit will ring in your heart and remind you of your sins, instructing you to repent immediately. Since the Holy Spirit is **Holy** by nature and cannot indwell in the heart that is **defiled**, we must instantly obey the Holy Spirit by confessing and repenting of our sins from our heart through our lips in prayer and wash them by the blood of Jesus. Thereafter, it is through the **blood of Jesus** that we are made **sanctified** and **holy**, when we genuinely ask for His forgiveness. Thus, permitting the Holy Spirit to continue joyfully living within our body so that the **baby life of Christ** can continue to **grow**.

Finally, It is best to always check for sins and confess the sins that you have committed for the day and wash them by the blood of Jesus prior to reading God's word, so that the Holy Spirit can effectively **impart** and **reveal the truth of God's words** and **feed** you spiritually to the **maximum**.

### **Illustration No. 2: Acting as a nutritionist**

The Holy Spirit in His wisdom will use the Holy Bible and God's words to feed you according to your spiritual age. Take for example, if you are a baby, He will feed you with '**milk**' and as you grow older, He will feed you with '**semi-solid food**' and obviously as you grow into an adult, He will feed you with '**meat**'. So, do not worry about trying to understand every single word of the Scripture! Just '**eat**' whatever you can understand, so long as you ingest your daily spiritual food by **spending quiet time reading God's words** and **praying** as well as **acting** upon His words and **obeying** the Holy Spirit, in time your spiritual comprehension will grow as you grow spiritually. Likewise, if you force a baby to understand the things of an adult, it is impossible as their mind set is not there! Consequently, just like the physical law of life, the spiritual law of life works in the same way.

### **Illustration No. 3: Acting as our tour guide to the map**

The Holy Spirit will begin to guide us spiritually to journey from the **entrance of the path of the cross** to the **finish line**, once you are born again of the Spirit of God. Hand in hand with the **Holy Bible as our map** for our journey, the **Holy Spirit will act as our tour guide**, detailing and illustrating our journey along the map. So long as you pay a close attention to the voice within your heart and the touch of the Holy Spirit and keep on reading and acting upon God's words, He will guide you, protect you and warn you when you go on the wrong direction. He will also chastise you like your dad, if you stubbornly and intentionally sin and continuously disobey despite His repeated warning. Personally, I have been burnt by fire for rebelling and stubbornly disobeying His voice (listen to my preaching for this testimony), even though He had warned me repetitively. Nonetheless, I praise God for His heavy chastisement as I **overcame the lust of my eye** on watching movies and up today I had not touch the movies screen ever since, as my Heavenly Father is **holy** and wants me to be like Him, '**holy and without blame**'.

### **Illustration No. 4: Acting as a pair of shoes**

When our Lord Jesus ascended, He had instructed for the Holy Spirit to come (read Acts chapter 1 and 2) in order to fill us with power to witness for Him. Once we are born again of the Holy Spirit, He will come to indwell within our heart in order to aid and help us.

First and foremost, He will act as our **teacher** in order to **teach** us the truth of God's words as well as **reveal** our sinfulness, so that we know what is right

and wrong. Secondly, the Holy Spirit will act as our **advocate** or **counsellor** in order to unveil the trap and the presence of satan etc. (please read Spiritual Food for Thought volume 1, '**The Holy Spirit**' for more detail). Ultimately, the Holy Spirit will remind us together with **the words of God in the Bible** in order to combat and battle our spiritual enemies!

Above all, He is our **guarantor**, **our passport** to eternity as well as **our transformer**. It is the Holy Spirit that transform us according to the word of God, written in the Bible, in order to mold us unto the image of Jesus our Lord. Furthermore, He will **transport** us into eternity when we are made ready and fully grown spiritually to meet our Master, as we finish the journey of the temporal to enter into **the marriage of the lamb** (read Revelation 19:7-9).

To simply put or in short, the Holy Bible and the Holy Spirit act as a pair of shoes to equip God's children to successfully combat and run the spiritual journey to the finish line.

#### **Illustration No. 5: Contributing as a flask of oil**

In the parable of the 5 wise virgins as written in Matthew 25, our Lord Jesus tells us to buy a flask of oil in order for the lamp to continue to shine amidst darkness. One of the means to purchase the drops of oil include reading God's words, meditating or memorizing God's commandment and His promises as well as listening to the preaching of genuine servants of the living God that are filled by the Holy Spirit. Hence, by reading God's word in our quiet time, we have permitted to trade our flesh with the purchase of the drops of oil that make up the flask of oil of the 5 wise virgins, as we have uplifted the Holy Spirit. Meanwhile as we purchase the drop of oil of the Holy Spirit by reading God's words, we will also begin to grow spiritually (listen to the preaching on Matthew 25 for detail!).

#### **Illustration No. 6: The voice of the Lord**

The Holy Spirit will begin to manifest Himself through **dreams** and **visions** and ultimately His voices through **the word of God** written in the Holy Bible, as we grow in the spirit from a baby into an adult. Without question, **our carnality** and **our sinful nature** acts as a **thick wall** preventing us from hearing God's voice, since God is Holy. However, I can guarantee you that as you grow spiritually seeking to separate unto holiness and righteousness and as you allow the **life of Christ** to grow into **maturity**, you will in time experience **spiritual dreams**, **visions** and His **genuine voices**.

By nature, the Holy Spirit will only voice **God's words** from the Scripture, even though satan can also mimic His voices. However, the vast difference lies in the fact that satan cannot voice the **Holy word of God**, as the word of God is but **Jesus Himself**. As a matter of fact, the **word of God is so holy** that it can sanctify us and cause satan to flee whenever we **memorize** them in **our lips** and **mind** (read '**The origin of this website**' under contact section).

On the other hand, satan's voices can be detected when his voices manifest right the opposite from God's words bringing us into **loving the world** (read John 2: 15,16) instead of **loving God**.

Prayerfully yours, His servant

Rosy Chao
